4 Bedroom, 2.50 Bathroom, 2,616 sqft
Residential on 1 Acres

AMADON, FURLONG, PA

Welcome home to 533 Norris Drive, located on a quiet cul de sac in Furlong, PA! This deceptively spacious Colonial welcomes you with mature azaleas, rhododendrons, yews and a large covered front porch. Enter into the foyer, take your shoes off and feel the warmth of radiantly heated flagstone flooring. Step into the bright living room with plush carpeting and a large bow window. The formal dining room has hardwood flooring and faces out to the inviting swimming pool and spacious back yard. Imagine the fun you'll have entertaining friends and family here! The lovely eat in kitchen continues with radiant floor heat, updated countertops and appliances, and flows nicely into the rustically charming family room, with a stone, wood burning fireplace; just the spot to cuddle up on a cold winter day. This room leads out to a freshly painted and carpeted sun room, overlooking the expansive rear yard. The original one car garage had been converted into a bonus/play room by the previous owner and an attached, oversized 2 car garage was built with extra storage space above it. Finishing the first floor is a conveniently located laundry room, with a brand new washer & dryer, a hall closet and a half bath. The stairway to the second floor is nice and bright, thanks to the new skylight at the top of the steps. The hallway is very spacious, as are the 4 bedrooms. The main bedroom features a bathroom en suite with a stall shower. The newly updated hall bath is large and bright. A whole house fan cools

everything off on a hot summer day. The basement is partially finished and you'll find a new oil tank, along with room for storage. The adjacent side has a workshop, great for projects, the mechanicals, and a Bilco door leading to the outside. Imagine the fun you'll have swimming in your own pool, having plenty room to gather & play, and the memories you'll make at 533 Norris Drive! Schedule your showing today and make this exceptional property your next home...
