Residential on 0 Acres

NONE AVAILABLE, PIPERSVILLE, PA

The perfect weekender or year-round laidback abode, this gem of a home includes an inground swimming pool and a barn that has so much potential as a party or changing space plus it is just a few houses down from the Piper Tavern for a meal out when you don't feel like cooking! When you step inside, you'll find that pride of ownership is apparent in each and every room. While heirloom features from this home's 1880s vintage stand out, so will the updates! A Ben Franklin soapstone stove cozies up the living room and saves on the heating bill. Central AC was added as well as a whole house generator to keep the lights on when there's a storm. New flooring and a new dishwasher are in the bright and breezy galley kitchen and the new flooring extends to a convenient first-floor bathroom near the back door to the pool. Upstairs, the main bedroom connects directly to a spa-style bathroom with a Jacuzzi tub and a separate shower. The second bedroom is currently used as a home office, while the third floor offers a bedroom and a finished storage room. The storage continues in the walk-out basement with Bilco doors. This home's professionally landscaped backyard is a tranquil paradise that is ready for summer between the pool, the pergola-topped patio, the views of neighboring farmland, and a pond beyond the fence, plus the three-room barn! Only a 90-minute drive to Manhattan, even a bus line goes right to Port Authority nearby! Don't miss it!
