BUCKINGHAM SPRINGS, NEW HOPE, PA

Hang on to your hat, because this stunning home in Buckingham Springs is the nicest property to come on the market, bar none! Not only has every single thing in this home been updated beyond anything you've ever seen here, it also sits on one of the nicest lots in the community and has been expanded so it's one of, if not THE, largest. Delightful expanded front porch, an actual entry foyer w/ coat closet, living room and dining room, fabulous kitchen with an abundance of granite topped white cabinetry, center island, step in pantry and breakfast room that overlooks the family room, plus an additional sunroom and separate screened in porch so you can watch the wildlife no matter what the season. The owners suite, with it's renovated bath - also with an abundance of cabinetry - is truly a retreat. The second bedroom was expanded and is almost as large as the main bedroom. The third bedroom is currently used as an office. The hall bath as also been completely remodeled, and there's an oversized 1 car garage. Not to be mistaken as just another pretty face, the hot water heater is new (2023), the HVAC is newer (2015), the windows have been replaced, as has the roof (2021). There is nothing to do here but unpack! Not. One. Thing. Don't let this unique opportunity pass you by...
