Bucks County Charm as only we do it!
Buckingham Township: Quietly tucked back off the road is the cutest cottage you may ever see. The 3 bedroom 3 bath cape cod style offers main floor living with the little touches you just don't see that often anymore. The detached building offers a woodshop, kennel area and potting shed. Step in from the front porch to an eat in kitchen with Viking range and stainless hood, slate floor, a real pantry and a darling breakfast area. Relax in the adjoining family room with a wood stove. Populated with period antiques this is a perfect place to enjoy OR bring in the new look with a pop of color and you have instant swank. The main bedroom has 2 full baths. This may seem indulgent for a cottage home, but it is pretty neat. A private office, a large living room for chillin'™ out on piles of pillows in front of the fireplace. That is just steps from the screened porch (naptime). Many places in this property can have creative touches applied, but be assured this one was built with love and is ready for its next adventure. Just a short drive to Doylestown but it feels like you are away from the hum
