3 Bedroom, 1.50 Bathroom, 1,998 sqft
Residential on 0 Acres

NONE AVAILABLE, BRISTOL, PA

A very spacious twin with hardwood throughout and off-street parking in the rear! This property is very deceiving and can only be appreciated by those who schedule a showing. The front of the house features a living room that has endless possibilities if a formal living area isn't needed. A great home office or play room are two uses that come to mind. Past the living room you will find a comfortable family room positioned in the middle of the house with the dining room and kitchen anchoring the rear of the home. The entire first floor features hardwood floors except the kitchen which is finished with ceramic tile. All of these rooms are very spacious on this level and the house has great flow from front to back. The kitchen in the rear of the house has granite tops, stainless appliances and a large pantry providing great storage. The 2nd floor of this house plays home to 3 bedrooms and a completely remodeled bathroom. The home also has a great front porch and a covered rear patio overlooking the yard. There is invaluable off-street parking in the rear situated just off the rear alley. If you are looking for a larger twin that already features great finishes and just needs your personal touches than you have found your new home!
